

# No 9 Bus Service

Please disregard any rumours about the No 9 Bus Service being scrapped after the Derby City Council formally withdrew their subsidy this week!!

**The service is safe for the immediate future !!**

The Parish Council is continuing negotiations with Derby City Council, Derbyshire County Council and the service providers to ensure the long term viability of the service. To say it's being ceased is simply scare mongering!!

Politically motivated demonstrations against the scrapping of the No 9 Bus Service subsidy have failed. Indeed they have been anything but helpful. Bringing politics into the negotiations could jeopardise the future of the No 9 Service and are very counterproductive.

**Please show your support for the  
Ockbrook and Borrowash Parish  
Council**

**and its efforts to ensure the long term  
future of the No 9 Service.**

If you want any information at any time ring the Parish Council on 01332 664100 or email [obpc@ntlbusiness.com](mailto:obpc@ntlbusiness.com) .
